

RISK MANAGEMENT CENTER

Your risk management, employee safety, and compliance platform

Help protect your company with the Risk Management Center, a unique web-based software suite of safety and risk management tools designed to empower your organization's risk prevention efforts.

RISK MANAGEMENT CENTER

The Risk Management Center allows you to reduce risk and enable employee safety by creating effective risk mitigation programs. It is easy to access, easy to use, and provides a cost-effective risk reduction and safety center for your organization across all departments and locations.

RISK MANAGEMENT CENTER TOOLS

Safety Library

- Multitude of bilingual PowerPoint presentations, videos, policies, posters, and training shorts based on industry best practices and regulations

Human Resources Library

- Attorney-developed content to help you stay compliant with HR issues, labor laws, and other regulations

My Content

- Build a safety manual, organize policies and training materials, and assign documents for employees to view

Certificate of Insurance Management

- Manage your COIs to control liability and risk

Behavior-Based Safety Programs

- Build behavior-based safety programs with job hazard analyses

Incident Tracking/Trending

- Trend incidents, print OSHA Logs

Job Description Tracking

- Access a pre-loaded library of comprehensive job descriptions; create modified duty assignments

Safety Data Sheet Management

- Be compliant with OSHA hazardous material standards and the new Globally Harmonized System

Employee Training Management

- Assign safety trainings for employees to complete on their own time with automated scheduling and reporting

Safety Observation Tracking

- Conduct observations by employee, position, or department to identify areas of compliance, serious and critical safety behaviors

Audit Tracker

- Customize and design your own surveys, audits, and checklists
- Assigns tasks to responsible persons for completion
- Track results and compliance

EFFICIENT, COST-EFFECTIVE, AND TIME-SAVING SOLUTIONS

The Risk Management Center is right for any organization that wants to proactively manage their risk exposures and develop effective workplace safety programs to reduce claims, losses, and associated costs.

The goal of any risk management program is to reduce risks and injuries, while improving profitability. The Risk Management Center enables employers to:

- Meet OSHA hazard communication requirements
- Access a best-practices safety library
- Train employees efficiently and effectively
- Build a behavior-based safety program
- Manage certificates of insurance to limit liability
- Create job descriptions and modified duty programs
- Upload SDSs for employee access 24/7

The Risk Management Center is powered by Succeed Management Solutions, LLC
